

Consultant Endodontist At your service

Harley Street, London
londondental.co.uk

A trusted referral service on your doorstep

Bandlish & Auplish Dental Practice is delighted to extend a professional and proficient endodontic referral service to local colleagues. Edward is a consultant endodontist with many years of experience. He will provide a seamless and responsive extension of your service.

We welcome patient referrals for all endodontic conditions, from root canal retreatments, to apical surgery, and invite you to refer your patients to an exceptional clinician who will ensure they are well-informed and ultimately delighted to have their issues resolved promptly and with care and compassion.

We welcome the opportunity to work in partnership with you to provide the following services:

- Primary root canal treatment
- Endodontic retreatment
- Complex endodontic cases
- Apical micro surgery

Edward would be delighted to discuss particular needs or concerns with both patients and referring practitioners.

We promise to:

-  Contact your patient immediately after receiving your referral letter.
-  See your patient within 2 weeks of receiving your request.
-  Send you a detailed letter explaining our findings as well as a treatment plan following consultation with your patient.
-  Immediately refer your patient back to your good care on completion of treatment.
-  Answer your questions or concerns by telephone, email or in person.

We look forward to building a partnership based on trust and ethics: two key elements of our well-deserved reputation.

Edward Brady

Consultant & Specialist
in Endodontics
BChD, MJDF RCS
(Eng), MClintDent,
MEndo RCS (Ed)

GDC number: 74436

Edward is a Registered
Specialist in
Endodontics.

He graduated from Leeds Dental School in 1998 and worked for several years in the UK and Australia before commencing specialist training in Endodontics at Guy's Hospital in 2008.

He was awarded MClintDent with distinction and obtained Membership in Endodontics from the Royal College of Surgeons of Edinburgh in 2012.

Edward is a Consultant in Endodontics at King's College Hospital and teaches specialist trainees on the postgraduate Endodontic programme.

He is an examiner with the Royal College of Surgeons of England. He has also authored chapters in several textbooks including "Principles of Endodontics" and "Dental Trauma".

Edward understands the apprehensions patients can experience prior to root canal treatment and he takes pride in his approachable, calm and reassuring manner.
