# A trusted referral service on your doorstep

Bandlish & Auplish Dental Practice is delighted to extend a professional and proficient oral surgery service to local colleagues. Omesh Modgill is a specialist oral surgeon with many years' experience. He will work with you and your patients to provide a seamless and responsive extension of your service.

We welcome patient referrals for all forms of oral surgery, from extractions to removal of polyps or mucocoeles, and invite you to refer your patients to an exceptional clinician who will ensure they are well-informed and ultimately delighted to have their issues resolved promptly and with care and compassion.

**We welcome the opportunity to work in partnership with you to provide the following services:**

- Extractions
- Wisdom tooth surgery
- Apicectomies
- Frenectomies
- Tooth exposures prior to orthodontic treatment
- Pre-prosthetic bone remodelling procedures
- Sinus lift
- Excisional and incisional biopsies

Omesh would be delighted to discuss particular needs or concerns with both patients and referring practitioners.

## We promise to:

-  Contact your patient immediately after receiving your referral letter.
-  See your patient within 4 weeks of receiving your request.
-  Send you a detailed letter explaining our findings as well as a treatment plan following consultation with your patient.
-  Immediately refer your patient back to your good care on completion of treatment.
-  Answer your questions or concerns by telephone, email or in person.

**We look forward to building a partnership based on trust and ethics: two key elements of our well-deserved reputation.**

## Omesh Modgill

Specialist Oral Surgeon  
BDS MOral Surg (RCS Eng), BDS Bristol 2011, Membership in Oral Surgery Royal College of Surgeons England

GDC number: 211480

Omesh qualified in 2011 from the University of Bristol Dental Hospital.

Following completion of vocational training, he gained further surgical experience in his roles as an Oral and Maxillofacial Surgery Dental Core Trainee and Oral Surgery Specialty Doctor in both the North-West and London. Subsequently he commenced and successfully completed oral surgery speciality training at Kings and Guy's Hospital London and is now recognised by the General Dental Council as a Specialist Oral Surgeon.

Alongside his clinical work, Omesh has also successfully completed the qualification in the Diploma of Membership of the Faculty of Dental Surgery (MFDS) and Postgraduate Certificate in Dental Education. He has presented regionally, nationally and internationally on a range of oral surgery related topics whilst also publishing in several peer-reviewed papers.

Omesh is committed to delivering a high standard of surgical treatment and providing treatment in a painless and timely manner. He is an advocate of holistic care, taking time to understand his patients' needs prior to them attending for treatment whilst also proactively conducting post-operative follow-up. He endeavours to perform treatment in a calm and relaxed environment and is always happy to discuss your referral at great length in order to facilitate the highest standard of care for all patients.

Omesh welcomes your referrals for patients requiring non-surgical and surgical tooth extractions, third molar surgery and soft tissue surgery including biopsies. Building partnerships with referring dentists is key to his approach to ensure that the care he provides is considered an extension of your own. He very much looks forward to considering your referrals and working with you to provide efficient, timely and comprehensive care for all of your patients.
