

Consultant Periodontist At your service

Harley Street, London
londondental.co.uk

A trusted referral service on your doorstep

Bandlish & Auplish Dental Practice is delighted to extend a professional and proficient periodontal service to local colleagues. Gita is a consultant periodontist with more than 25 years experience. She will work with you and your patients to provide a seamless and responsive extension of your service.

We welcome patient referrals for all forms of periodontal conditions, from advanced periodontal disease, to bone regeneration surgery and implant placement, and invite you to refer your patients to an exceptional clinician who will ensure they are well-informed and ultimately delighted to have their issues resolved promptly and with care and compassion.

We welcome the opportunity to work in partnership with you to provide the following services:

- Non-surgical periodontal treatment
- Periodontal surgery
- Periodontal bone regeneration
- Implants

Gita would be delighted to discuss particular needs or concerns with both patients and referring practitioners.

We promise to:

-  Contact your patient immediately after receiving your referral letter.
-  See your patient within 2 weeks of receiving your request.
-  Send you a detailed letter explaining our findings as well as a treatment plan following consultation with your patient.
-  Immediately refer your patient back to your good care on completion of treatment.
-  Answer your questions or concerns by telephone, email or in person.

We look forward to building a partnership based on trust and ethics: two key elements of our well-deserved reputation.

Gita Auplish

Consultant & Specialist
Periodontist
BDS MSc MFDS RCS
(Eng)

GDC number: 71011

Gita qualified from Guy's Hospital Dental School UMDS in 1995 and developed a passion for periodontology which she pursued doing her Master's at Eastman Dental Hospital in 1997. She obtained a position on faculty there after her Master's and became a specialist in 2001.

She has been a consultant at Kings College Hospital for over 10 years and manages patients with advanced periodontal disease and places implants.

She has extensive experience in surgical periodontics and implants. As a clinical supervisor, Gita plays an active role in teaching and mentoring Specialist Registrars and Dental Core Trainees, particularly whilst operating. She regularly runs hands-on periodontal courses for GDPs and hygienists which always receive excellent feedback, and routinely lectures nationally and internationally. She is an examiner for the Royal College of Surgeons for the MRD MPerio examination.

Gita is a member of the Royal College of Surgeons and British Society of Periodontology. She is considered to be approachable and professional in her management of patients.
